About the College

Modern College of Law (MCL), established in 2004 under the auspices of Ganesh Shiksha Samiti, a registered non-profit organization, has risen to prominence as one of Ghaziabad's top colleges. Affiliated with CCS University, Meerut, and approved by the Bar Council of India, Delhi, the college is guided by the ethos of "Transforming with oneness." MCL's comprehensive and rigorous approach is geared toward helping students achieve their educational goals, stay updated with legal developments, and become creative thinkers who actively contribute to society through social engineering. This commitment to excellence in education underscores MCL's significant positive impact on society.

Modern College of Professional Studies (MCPS) is a prestigious institution dedicated to academic excellence and career success. With a wide range of programs in disciplines like Education, Management, Commerce, Computers, and Humanities, we offer a comprehensive learning experience. Our state-of-the-art facilities and vibrant campus life, along with strong connections to employers and alumni, prepare our graduates for successful careers. We are also committed to community engagement and social initiatives.

About the Symposium

The symposium on "**Constitutional Framework for Education in India: Aligning with the Indian Knowledge System**" is a significant event that aims to explore and discuss the crucial intersection between the Indian Constitution and the education system in India. It seeks to shed light on how the constitutional provisions and principles can be effectively aligned with the rich Indian knowledge system to enhance the quality and inclusivity of education in the country.

Objectives of the Symposium

The primary objective of this symposium is to provide a platform for scholars, policymakers, educators, and stakeholders to engage in a meaningful dialogue about the constitutional framework for education in India. It aims to promote a comprehensive understanding of the constitutional principles related to education and how they can be harnessed to embrace and integrate the Indian knowledge system within the educational landscape.

Outcomes of the Symposium

The symposium is expected to yield several key outcomes. These include a deeper understanding of the constitutional provisions related to education and the Indian knowledge system, policy recommendations for aligning education policies with constitutional principles, strategies for inclusive education, cultural integration in curricula, enhanced networking and collaboration opportunities, potential research contributions, increased public awareness, empowerment of stakeholders, and the initiation of continued dialogue on the topic.
